

FILTER CARTRIDGE

WODA-PURE MINERALIZER M MG + ZINC

FOR YOUR DAILY MINERAL REQUIREMENTS

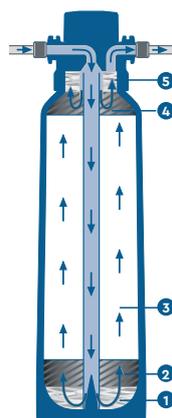

A perfect support for a healthy lifestyle: the BWT Woda-Pure Mineralizer M Mg + Zinc filter cartridge transforms your tap water into delicious BWT MAGNESIUM MINERALIZED WATER, enriched with valuable mineral magnesium and the trace element zinc.

Magnesium keeps you fit and vital – for an active everyday life and your sporting adventures. The addition of zinc strengthens your immune system, and has a positive effect on your skin and hair.

The BWT Woda-Pure Mineralizer M Mg + Zinc filter cartridge not only reduces harmful substances and chlorine in local tap water, but also enriches it with valuable magnesium and zinc during the filtration process. It also reliably protects your household appliances from limescale deposits.

Five filtration stages for the best Zinc + Magnesium mineralized water:

- 1. Primary filtration** filters particles, e. g. sand or rust.
- 2. Active carbon pre-filtration** reduces substances of bad taste and odour.
- 3. Powerful ion exchanger** removes water hardness to protect from limescale and releases the beneficial mineral magnesium and zinc.
- 4. Activated-carbon filtration** reduces chlorine and other impurities that cause unpleasant smell and taste.
- 5. Fine Filtration** removes even the smallest particles.

BETTER PERFORMANCE

LIMESCALE PROTECTION

NO MORE PLASTIC BOTTLES

Invisible installation directly under the sink, so nothing disturbs the countertop or your kitchen design.

BWT Woda-Pure Mineralizer M Mg + Zinc can be easily combined with the other Woda-Pure cartridges.

NOW WITH BWT'S UNIQUE, PATENTED MAGNESIUM TECHNOLOGY!

TECHNICAL DATA

WODA-PURE MINERALIZER M MG + ZINC		
Connection width	DN	10 (3/8")
Max. flow rate	l/h (gpm)	200 (0.88)
Operating pressure min. - max.	bar (psi)	2 - 8 (29 - 116)
Filter capacity	litre	up to 2,050 l*
Operating temperature water, min.- max.	°C (°F)	4 to 30 (+39 to +86)
Overall height with filter head and fixture	mm	500
Overall height without filter head and fixture	mm	475
Filter cartridge Ø	mm	130
Operating position		horizontal / vertical**
Order no. Filter Head		12533
Order no. Cartridge		125595502

*Filter capacity depends on water hardness level - please see product manual for more information.

**We recommend vertical installations.
